WE DELIVER AN EXPERIENCE
RATHER THAN A PRODUCT

Chairman's Message

Progress for me has never been a dream, it has always been a distant reality and once one milestone is achieved, there is always another one waiting to be crossed. It is with this belief, that we started **Delite Hi-Tech** in 1957 – a company that was in the manufacturing of almirahs and safes. Almost instantly, **Delite Hi-Tech** became a prominent name in its business segment, but like every entrepreneur sticks to his dream, we always wanted to push our company to higher milestones. More than being a local player, we always perceived our company as a unit that could make a difference with its quality and competitively priced products. Taking a path less traveled, we expanded **Delite Hi-Tech** into mass production that requires a high amount of technical know-how, expertise and specialised knowledge.

Overcoming challenges with the support of my brilliant team, we have been successful in bringing **Delite Hi-Tech** to a new height of global recognition.

The journey of **Delite Hi-Tech** is never ending, and with the continuous support of my team and esteemed customers, we are confident that the company will continue to scale new heights of excellence for the years to come.
